Books Several textbooks on SML programming are available. We recommend the first two in this list. ML for the Working Programmer assumes a little more programming experience than Elements of ML Programming, however either one ought to be adequate for learning the language. Both of these books are in their second editions, now covering the SML '97 version of the language and Basis.

SML/NJ Literature

â€¢ Before and After the May Fourth Movement The so-called "May Fourth" or "new culture" movement began in China around 1916, following the failure of the 1911 Revolution to establish a republican government, and continued through the 1920s.
