The term race or racial group refers to dividing the human species according to physical characteristics that are inherited. The most widely used human racial types are those based on visual traits (such as skin colour, cranial, facial features, or type of hair).. When classifications of human races were first done, there were relatively few inter-racial marriages.

A stiletto (Italian:) is a knife or dagger with a long slender blade and needle-like point, primarily intended as a stabbing weapon.. The stiletto blade's narrow cross-section and acuminated tip reduces friction upon entry, allowing the blade to penetrate deeply. Some consider the stiletto a form of dagger, but most stilettos are specialized thrusting weapons not designed for cutting or ...
